

OERTZEN®*... for a cleaner world* ☀

BRW 500 VA-F

Slatted Floor Cleaning Device

For cleaning of soiled floors in agriculture and livestock breeding.

With slatted floor cleaning device BRW 500 VA-F OERTZEN presents a robust, efficient and powerful surface cleaner as an accessory for high pressure cleaners.

Big wheels and double, flexible guiding rollers enable the BRW to move freely.

With 2 high pressure nozzles mounted on a rotating bar BRW 500 VA-F clears away solid, hard and encrusted dirt from any slatted floor.

This unique slatted floor cleaning device can be coupled to cold and hot high pressure cleaners - even detergents can be injected.

There is an extra lance coming with BRW 500 VA-F for cleaning corners and steps.
